To the Members of Niagara Children's Centre

Opinion

We have audited the financial statements of Niagara Children's Centre, which comprise the statement of financial position as at March 31, 2020, and the statements of changes in fund balances, operations and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Niagara Children's Centre as at March 31, 2020, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for notfor-profit organizations.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Independent Auditor's Report

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

As required by Section 96(2) of the Corporations Act, we report that, in our opinion, the accounting principles have been applied on a basis consistent with that of the preceding year.

March 31, 2020

1. Nature of operations

Niagara Children's Centre operates under the Ministry of Children, Community and Social Services. The Centre provides rehabilitation and treatment services to children with physical, developmental or communicative challenges. The Centre is exempt from income tax as a registered charity under the Income Tax Act (Canada).

2. Significant accounting policies

The financial statements were prepared in accordance with Canadian accounting standards for notfor-profit organizations. The significant accounting policies are detailed as follows:

Fund accounting

Revenues and expenses related to program delivery and fundraising are reported in the Operating Fund. The Capital Fund reports the assets, liabilities, revenues and expenses related to the Centre's property and equipment. The Capital Fund also reports the transactions related to certain externally restricted contributions.

Revenue recognition

Contributions related to the externally restricted fund are recognized as revenue of the externally restricted fund when received. Investment income in the externally restricted fund is recognized as revenue when earned.

Restricted contributions to unrestricted funds are recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue of the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Unrestricted investment income is recognized as revenue when earned.

Pension plan

The Centre offers a multi-employer defined benefit pension plan to employees. Due to the nature of the plan, the Centre does not have sufficient information to account for the plan as a defined benefit plan. Therefore, the multi-employer defined benefit pension plan is accounted for in the same manner as a defined benefit contribution plan. An expense is recorded in the period when the Centre is obligated to make contributions for services rendered by the employee. Any unpaid contributions are included in accounts payable and accrued liabilities on the statement of financial position.

March 31, 2020

2. Significant accounting policies (continued)

Financial instruments

Measurement

The Centre initially measures its financial assets and liabilities at fair value.

The Centre subsequently measures all of its financial assets and financial liabilities at amortized cost.

Financial assets and liabilities measured at amortized cost include cash, guaranteed investment certificates, accounts receivable, and accounts payable and accrued liabilities.

Property and equipment

Property and equipment are recorded at cost less accumulated amortization. Property and equipment are amortized to estimated residual values at the following annual rates over the estimated useful lives of the related assets:

Building	5% Declining balance
Parking lot	8% Declining balance
Equipment and furniture	20% Declining balance
Computer hardware	30% Declining balance

Management estimates

Management reviews the carrying amounts of items in the financial statements at each statement of financial position date to assess the need for revision or any possibility of impairment. Many items in the preparation of these financial statements require management's best estimate. Management determines these estimates based on assumptions that reflect the most probable set of economic conditions and planned courses of action.

These estimates are reviewed periodically and adjustments are made to excess of revenue over expenses as appropriate in the year they become known.

Items subject to significant management estimates include residuals and estimated useful lives of property and equipment and amortization rates of deferred contributions.

March 31, 2020

3. Joseph Olascki Trust Fund and Niagara Children's Centre Fund held at the Niagara Community Foundation

The Niagara Community Foundation ("NCF") has established the Joseph Olascki Trust Fund and Niagara Children's Centre Fund. The NCF is completely responsible for investing and administering the funds. As the Centre has no element of control or administration, these funds have not been reported in these financial statements. At March 31, 2020, the market value of the Joseph Olascki Trust Fund is \$605,924 and the market value of the Niagara Children's Centre Fund is \$555,992.

Unless otherwise directed by the Centre, the NCF will issue an annual grant to the Centre based on the NCF Board's approved annual dispersal percentage. Additional funds may also be requested from the Niagara Children's Centre Fund. The income from NCF is recognized in these financial statements when it is received.

4. Property and equipment

			2020	2019
	Cost	Accumulated Amortization	Net Book Value	Net Book <u>Value</u>
Building Parking lot Equipment and furniture Computer hardware	\$ 201,434 5,703,513 256,753 927,710 589,353 \$ 7,678,763	\$ - 3,967,940 153,398 850,767 588,995 \$ 5,561,100	\$ 201,434 1,735,573 103,355 76,943 358 \$ 2,117,663	1,826,919 112,342 96,179 512

5. Deferred revenues

Deferred revenues reported in the Operating Fund include the portion of revenues relating to operating expenses not yet incurred. The deferred revenues are recognized to revenue when the related expenses are incurred.

The changes for the year in the deferred revenues balance reported in the Operating Fund are as follows:

	_	2020	2019
Balance, beginning of year Revenues received during the year Amounts recognized in revenues	\$ 	91,786 \$ 106,547 (147,615)	64,528 136,106 <u>(108,848</u>)
Balance, end of year	<u>\$</u>	<u>50,718</u> \$	91,786

March 31, 2020

6. Deferred contributions

Donations and grants received in the year totalled \$1,955,209 (2019 - \$1,061,327). Of these donations and grants, \$55,422 (2019 - \$224,248) relate to restricted contributions for designated expenses to be incurred in a future fiscal year. These deferred contributions are reported in the operating fund and are recognized to fundraising contributions when the related expenses are incurred.

The changes for the year in the deferred contributions balance reported in the Operating Fund are as follows:

	2020 2019
Balance, beginning of year Designated contributions received during the year Amounts recognized in contributions	\$ 224,248 \$ 183,219 131,424 678,559 (300,250) (637,530)
Balance, end of year	\$ 55,422 \$ 224,248

7. Deferred property and equipment contributions

Deferred contributions reported in the Capital Fund include the unamortized portion of contributions relating to property and equipment acquisitions. The deferred contributions are amortized on the same basis as the property and equipment to which the contribution relates.

The changes for the year in the deferred contributions balance reported in the Capital Fund are as follows:

	2020 2019
Balance, beginning of year Amount amortized to revenue	\$ 1,650,846 \$ 1,780,988(119,689)(130,142)
Balance, end of year	\$ 1,531,157 \$ 1,650,846

8. Internally restricted fund balances and interfund transfers

As of March 31, 2020, \$1,596,660 (2019 - \$328,184) was transferred to the internally restricted fund from the unrestricted operating fund.

As of March 31, 2020, the Centre has internally restricted resources amounting to \$2,348,478 (2019 - \$770,050). Of this amount, \$1,100,000 is to be used for the capital and major repairs fund, \$11,029 is to be used for the employee fund, \$232,436 is to be used for the strategic priorities fund, \$608,344 is to be used for the operating fund and \$396,669, is to be used for the contingency fund. These internally restricted amounts are not available for other purposes without the approval of the board of directors. During fiscal 2020 \$18,232 was utilized from the strategic priorities fund.

9. Externally restricted fund balance

March 31, 2020

The externally restricted fund balance consists largely of the Dr. W. J. Orr Trust fund, which recognizes the significant contribution he has made to children since the early 1950's. The purpose of the fund is to benefit and enhance the lives of children of the Region of Niagara who have physical disabilities and no other funding available.

10. Pension plan

Substantially all of the employees of the Centre are eligible to be members of the Hospitals of Ontario Pension Plan, a multi-employer pension plan. The plan provides defined pension benefits to employees based on their length of service and rates of pay. The Centre contributes \$1.26 for every \$1.00 that the employee contributes to the plan. During the year ended March 31, 2020, the Centre contributed \$485,181 (2019 - \$442,307) to the plan.

11. Credit facility

The Centre's credit facility includes an authorized overdraft lending account of \$150,000 bearing interest at prime plus 0.25%. No amount was outstanding during the 2020 fiscal year.

12. Financial instruments

The following analysis provides a measure of the Centre's risk exposure and concentrations at the statement of financial position date, March 31, 2020:

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Centre is not significantly exposed to these market risks.

13. Comparative figures

Certain of the comparative figures have been reclassified to conform with the financial statement presentation adopted for the current year.

March 31, 2020

14. Subsequent events

Since December 31, 2019, the spread of COVID-19 has severely impacted many local economies around the globe. In many countries, including Canada, businesses were forced to cease or limit operations for long periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Global stock markets have also experienced great volatility and a significant weakening. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions.

The Centre has determined that these events are non-adjusting subsequent events. Accordingly, the financial position and results of operations as of and for the year ended March 31, 2020 have not been adjusted to reflect their impact. The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Centre for future periods.

March 31, 2020

15. Service contracts

The Centre has service contracts with The Ministry of Children, Community and Social Services. Reconciliation reports summarize by service, all revenues and expenses and identifies any resulting surplus or deficit that relates to the Service Contracts.
