

REFERRAL VIDEO SUBMISSIONS

As part of the referral process, families are asked to **submit a brief video (no more than 2-3 minutes in length)**.

The videos should show:

1. How your child moves, such as how your child moves on the floor or how your child moves around using equipment (e.g., walker, wheelchair).
2. How your child plays with toys and/or how your child interacts with peers/siblings/adults during play.
3. How your child communicates. If your child is nonverbal, how does he/she make choices and indicate yes/no, including (if applicable) how your child uses voice output devices/pictures/symbols to communicate. If your child is verbal, please include how your child talks in the video clip.

Preferred video file types include: .mp3, .mp4 and .avi

Kindly submit videos using our Google Form ONLY by clicking the link below:
