

ADMISSIONS PROCESS TIMELINE 2023

Children with complex needs requiring a multidisciplinary team approach for academics and therapy, and whom meet the criteria for active intervention in **two** or more therapy areas (Physiotherapy, Occupational Therapy, Speech Language Therapy) may apply to our school program. Children must be able to participate in a shared support environment.

**JANUARY-
MARCH**

Complete Referral Package and Video with support from your therapy team, school team and/or community supports.

Packages can be obtained through the school website, your child's therapy team or home school.

MARCH

Referral packages due **March 10th, 2023.**

Videos due **March 24th, 2023.**

APRIL

The Admissions Committee will determine which candidates are appropriate for our available program spaces, and communicate admissions decisions via email.

MAY

Transition plans and meetings will occur based on individual student needs.

JUNE

Open House / School Visits for incoming students.

Check our website for updates and to access the referral package in the new year.
