

2025-2030 Strategic Plan

Mission

Mission

Weaving education and therapy together to create a unique and individualized educational experience, empowering our students to reach their full potential.

Vision

At Niagara Children's Centre School Authority, we envision an innovative and collaborative educational community that supports our students to learn and grow together to reach their full potential.

vision

Values

Values

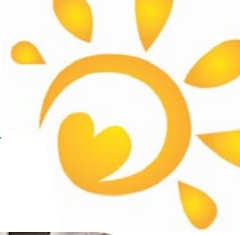

The children and families we serve are the heart of NCCSA.

We show this through:

- **Belonging**
- **Care**
- **Respect**
- **Trust**
- **Integrity**

Pillars of the Strategic Plan

Learning

GOAL

Use Innovative and individualized strategies to develop and enhance:

- Communication Strategies
- Early Literacy Skills
- Early Numeracy Skills
- Resilience, Confidence, Independence and Well Being

At NCCSA this looks like:

- Professional development and implementation of current communication strategies and technology
- Enhance assessment, planning and implementation of early learning strategies through well-developed IEPs

Community Connection

GOAL

Intentionally enhance, develop and maintain strong connections to and within:

- Families and students
- Community Schools and Partners
- Children's Centre Therapy Team

At NCCSA this looks like:

- Enhancing, developing and maintaining strong communication tools and channels with all stakeholders
- Frequent opportunities to engage in and with the school staff
- Structures and strategies to engage as classroom teams with therapy teams

Culture

GOAL

Foster equitable and inclusive learning culture for all students and staff with an intentional focus on enhanced communication, collaboration and celebration.

At NCCSA this looks like:

• Belonging

- Students and staff feel accepted, valued, respected, and included in the learning environment

• Respect

- Value student and staff perspectives and experiences to foster a safe and supportive learning environment

• Integrity

- Implement best educational practices to ensure students have the right care, support and learning opportunities for their unique needs and goals

• Trust

- Foster a safe and supportive environment for exploration and growth

• Care

- Create a safe and supportive inclusive learning environment that prioritizes the individual needs, strengths, well-being and development of each student
